Hello, I'm Nuru seid,an experienced network engineer with May 17 2023- Now years of experience in designing, implementing and maintaining complex network infrastructures. My passion for networking and IT drove me to pursue a degree in Computer Science, after which I embarked on a journey to build my career in the field. Over the years, I have gained extensive knowledge and hands-on experience in various areas such as LAN/WAN design, network security, routing and switching, firewall configurations, network monitoring and troubleshooting, and cloud technologies.
